

## WHAT WE HAVE BEEN LEARNING:

- Comparing & Contrasting --Halloween vs Day of the Dead; A Book and its Sequel
- Using context clues to determine the meaning of Weather Vocabulary
- R.A.C.E. Writing method:
  - R Restate the ?
  - A Answer the ?
  - C Cite the text
  - E Explain
- Sight Word (Red Word) Recognition
- Multiplication Single
  Digits 0-12
- Multi-digit subtraction with regrouping
- Multi-Step Word problems

## WAYS TO PRACTICE AT HOME:

- Play multiplication dice games (roll the dice, multiply the numbers, the highest product wins!) Multiplication war with playing cards. (two players pull two cards from their pile at once; highest product wins!)
- Watch or read weather reports, or pretend to give weather reports using vocabulary.
- Compare and contrast books and movies you have read.
