

SEPTEMBER

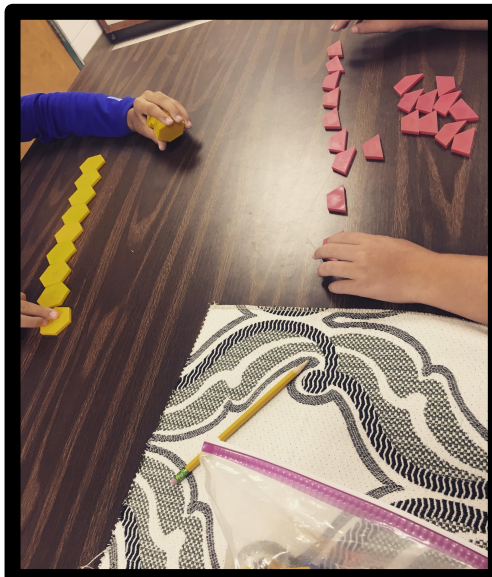

WHAT WE HAVE BEEN LEARNING:

- **Summarizing** - to retell the most important events from the story (fiction) & to tell the main idea and the details (nonfiction)
- To Read Fluently means to read automatically, with a good pace, and accurately.
- Personal Narratives - a story written about yourself with a Beginning, Middle, and End
- Multiplication - Single Digits 0-12
- Multi-digit addition with regrouping

WAYS TO PRACTICE AT HOME:

- Play multiplication dice games (roll the dice, multiply the numbers, the highest **product** wins!)
- Keep a journal or diary to write personal narratives of family activities, sporting events, school, etc.
- Practice retelling books read at home, or create a "TV show" videoing yourself summarizing the books you have read.

BUILDING ARRAYS

LEADERSHIP HABIT

Be Proactive:
I'm in charge.
I can take responsibility.
I focus on my circle of control.

Circle
Of Control
